Supplemental Information Disclosure Statement

This Supplemental Information Disclosure Statement is made within: (1) three months after the filing date of the application §1.97(b)(1); (2) within three months of the date of entry of the national stage as set forth in §1.491 in an international application §1.97(b)(2); (3) before the mailing date of a first Office action on the merits §1.97(b)(3); (4) before the mailing of a first Office action after the filing of a request for continued examination under §1.97(b)(4), or (5) within three months of first being cited in any communication from a foreign patent office in a counterpart foreign application §1.97(e)(1). Therefore, this statement is considered timely under 37 C.F.R. §1.97(e)(1).

According to the terms of 37 C.F.R. §1.97(g), this Disclosure Statement shall not be construed as a representation that a search has been made or that no other material information as defined in 37 C.F.R. §1.56(a) exists. While this Information Disclosure Statement may be "material" pursuant to 37 C.F.R. §1.56(b), it is not intended to constitute admission that any patent, publication or other information referred to therein is "material to patentability" under 37 C.F.R. §1.97(h) for this invention unless specifically designated.

In accordance with 37 C.F.R. §1.56, applicant wishes to call the attention of the Examiner to the following references which were cited in the International Preliminary Report on patentability dated November 2, 2005, copy attached.

U.S. Patent Documents

U.S. Patent No. 4,782,814 was reported in the Information Disclosure Statement submitted on August 26, 2005. Therefore, a second copy is not being submitted with this Supplemental Information Disclosure Statement. No other U.S. documents were cited.

Foreign Patent Documents

The Japanese reference cited in the International Preliminary Report on Patentability, JP354116747A, was presented in the Information Disclosure Statement filed on March 7, 2005. Therefore, a second copy is not being submitted with this Supplemental Information Disclosure Statement. No other foreign documents were cited.

Other Documents

No other documents are in the possession of the applicant at this time.

This Information Disclosure Statement is based upon the International Preliminary Report on Patentability dated November 2, 2005. Applicant submits that the above references, taken alone or in combination, neither anticipate nor render obvious the present invention. Consideration of the foregoing in relation to this application is respectfully requested.

This Information Disclosure Statement is considered timely filed under 37 C.F.R. §1.97(e)(1). Therefore, it is believed that no fees are required for the filing of this document. However, should the Director determine that a fee is required to effect the filing of this document, the Director is hereby authorized to charge any fees that may be required to Account No. 50-0983.

Respectfully Submitted,
